

Dr Cooper: Hey Elisabeth!

Elisabeth: Hi Cooper!

Dr Cooper: Have you seen my dog?

Elisabeth: No! Where, where did it go?

Dr Cooper: Well, I **picked up** this stick, we were in the park

Elisabeth: yeah

Dr Cooper: and I **picked up** this stick

Elisabeth: yeah

Dr Cooper: and I threw it and I said to Soraya: "**Go get it!**"

Elisabeth: And did she **get** it?

Dr Cooper: She went, and she **got** it and now she ran away!

Elisabeth: Oh no! Where did she go?

Dr Cooper: She went into the woods, and so I can't find her.

Elisabeth: So how are you going to **get** her **back**?

Dr Cooper: I'm gonna go back to my house, I'm gonna open my refrigerator, I'm gonna **take** out a hamburger, because I have a hamburger...

Elisabeth: oh, that's good.

Dr Cooper: and I'm gonna carry the hamburger and I'm gonna hold it for her

Elisabeth: yeah

Dr Cooper: and I'm gonna say: "Come, come Soraya, and **get** your hamburger"!

Elisabeth: That's a great idea! I'm sure she'll come and **get** it. You could always go and **pick up** a bone at the supermarket.

Dr Cooper: oh, good idea! You know what? I'm gonna go to the supermarket, I'm gonna **pick up** a bone, I'm gonna pay for it and then I'm gonna go with the bone and the hamburger.

Elisabeth: Perfect! She'll definitely come then.
