

Susan: I'd like the **mussels**, but not with **fries**. With a **side salad**, a "house salad".

Waitress: Are there any **starters** at all? Is anybody having a starter? Mussels with a side salad. Thank you.

Christina: And **can I have** the spinach and **mushroom** and ricotta galette?

Waitress: The galette? Yeah. So, you're having a **set menu**.

Christina: Yes.

Eric: Cleri?

Cleri: I'm still thinking. I'm still-

Eric: **I'll order** a burger. **Plain**, nothing on it.

Susan: The **roll** not buttered.

Eric: Roll not buttered.

Susan: No butter on the roll.

Eric: Just the dry bun and a burger.

Waitress: So, you just want bun, burger, bun.

Susan: Right.

Waitress: So, no salad, no nothing. Just-

Eric: And fries.

Waitress: And fries.

Cooper: **What about** ketchup?

Eric: No.

Susan: What about-

Waitress: So, no salad stuff or anything like that.

Eric: No.

Susan: You don't want a **slice** of lettuce?

Eric: Yeah, okay, I'll have a slice of lettuce

Susan: And a slice of lettuce on it.

Waitress: A bit of lettuce.

Susan: Yes.

Waitress: Any particular- **You don't mind** which lettuce?

Susan: What kind do you have?

Waitress: We've got some **rocket**. No. We might have some iceberg? Okay, so, burger... Do you want the lettuce in the burger?

Eric: Uh...

Susan: Yes, fine. And **medium**... medium pink? Is your medium pretty pink?

Waitress: We can't... We have (inaudible) I'm afraid.

Eric: Yes, medium.

Waitress: It won't be burnt.

Eric: Okay.

Costas: Classic burger.

Waitress: As it comes.

Costas: As it comes, yes. With bacon.

Cooper: Oh, I'll have the **breast of Cajun chicken** salad.

Waitress: The salad.

Cooper: Yes, please.

Cleri: And **I'm going to have** the pan-fried sardines with a side salad.

Cooper: And I'd like to order a **side order** of **garlic focaccia bread**.

Waitress: With cheese or without?

Cooper: Without.

Waitress: Without?

Cooper: Yeah.

Waitress: **Is that to come with your meal?**

Cooper: Ehm, no. Before.

Waitress: Just one garlic bread.

Cooper: Yeah.

Waitress: Would you like any normal bread or olives while you're waiting for your meal? Any olives, or bread?

Christina: If Eric wants ...

Eric: No.

Costas: I would like some ...

Susan: Olives?

Waitress: Olives?

Costas: Yes, some olives and some bread.

Waitress: Some bread and some olives?

Costas: For two or three people.

Waitress: Okay.
